Dear Commissioner Musgrave,

This letter is in response to your letter, dated September 26, 2007, requesting information related to Allen County's CAMA and Property Tax and Billing Management System.

Currently, Allen County contracts with ACS, Inc for almost all of the Counties technology services, including Tax and Billing. The County has recently signed a contract with Low Associates, Inc to provide Tax and Billing software for taxes payable in 2008.

Manatron currently provides the County's CAMA system and the County has recently signed a contract with X-Soft, Inc to provide Personal Property management software.

I have included copies of all contracts and historical costs paid to vendors. Future costs and maintenance amounts are disclosed in enclosed contracts.

Please direct any questions you may have regarding this information to Tera Klutz at [tera.klutz@co.allen.in.us](mailto:tera.klutz@co.allen.in.us) or 260-449-7662.

Allen County is happy to partner with the DLGF to achieve the best property tax solution for citizens of Indiana.

Sincerely,

Lisa Blosser,  
Allen County Auditor
